ON the attack on MahendraChawla, a witnessconcerned in SantShri AsharamjiBapu and Shri Narayan Sai cases.

The followers condemn very heinous and demand a high level detail investigation for penalising the culprits behind.

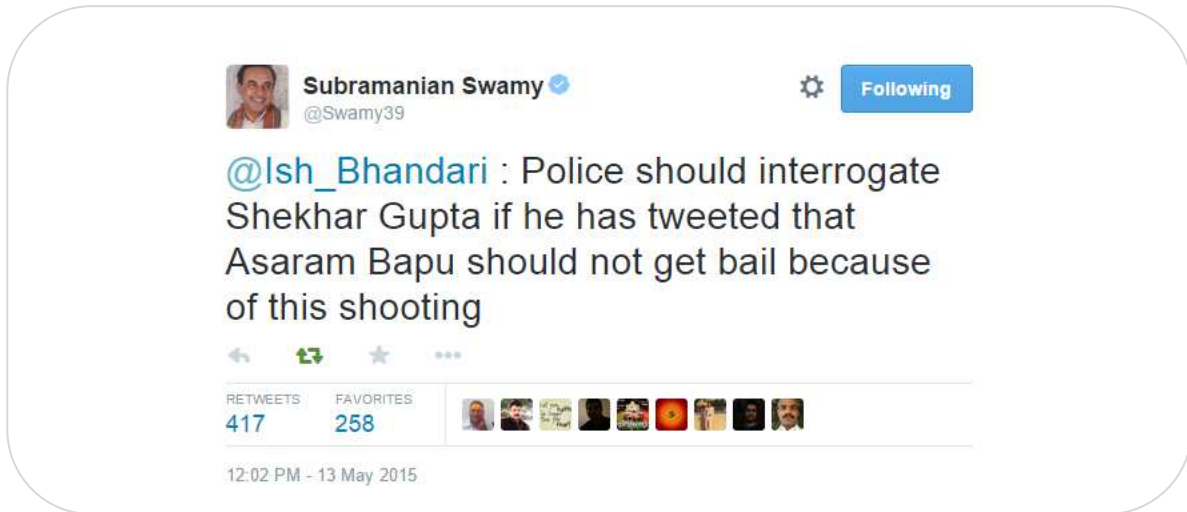

Followers' community says these serial attacks on key witnesses are the part of the ploy to influence current court proceedings and to set the case prejudice to Sant Shri AsharamjiBapu. Also, the community pray for his life.

First of all, the incidence of MahendraChawla Shot by unidentified attackers in Panipat (as reported in TV News and internet portals), is highly censurable. We pray for fast recovery of his condition and are with his family at this moment of grief. We demand to set a high level investigation to unravel the real culprits and their plan. We also do request to media not to go in hurry to speculate and allege Sant Shri AsharamjiBapuand the followers. The serial attackson concerned witnesses of both the cases in last few months are the part of the conspiracy and such incidences are attempts to prejudice the trial against Sant Shri AsharamjiBapu where the preparators are currently failing to substantiate any of their allegations. It is very noteworthy the timings of these attacks as all the previous attacks (including this) were happened on when either the Judiciary was allowing to give some relief to Sant Shri AsharamjiBapuor the bail petition just comes to hear before the court. Recently, Shri Narayan Sai is granted the bail for three weeks.

Alleging or speculating Sant Shri AsharamjiBapuor his follower(s) involvement in the shooting on MahendraChawala is not advisable (As seen today and previously too, whenever an attack happened, reporters rush to ask Bapu for his involvement) and one can judge it why Bapu will look for such barbaric act to make his case more complicate himself? He is not so naïve. There is no suchconnection of Sant Shri AsharamjiBapuor any of his followers with the causes of current incidence till far and far away.

Shri Subramanian Swamy, who just undertakes the case of Bapu, tweeted on the matter:

Sr. Advocate Shri SanjeevG Punalekar, from Hindu VidhidnyParishad who has been associated with BapuJi’s case and Malegaon Blast case in past, condemns that:-

The attacks are deplorable and character assassination of BapuJi on the name of attack is also deplorable. This is overtly exposing the conspiracy and an attempt to deteriorate the court’s mind as evidences are staying inadequate at this moment of trial.

Advocate Shri IshkaranBhandari, who associated with Dr.Swamy in current case, also raises the question:
